

Sing the song

Here are the words of our theme song. Print them out, then play the video and sing along!

Meet the Powers

Super Powers

Meet the Powers, ooh ooh ooh

Don't ask for help if you know what's good for you

Your not-so-super family

Water the garden, watch the TV

Fight for justice, fight for good

Try not to wreck the whole neighbourhood

Clare controls the weather

Fire is by Ted

JP can fly

And Suzie just wants to be a regular kid

Your not-so-super family

Help with the dishes - but don't do them super-ly

Keep the peace in our sleepy town

Better run for cover when they come around
